

RIVER EDGE ELEMENTARY SCHOOLS'

**SUMMER
ENRICHMENT
PROGRAM**

CHERRY HILL SCHOOL

Monday JUNE 24, 2019

THROUGH

FRIDAY JULY 19, 2019

(Closed on Thurs. And Fri. July 4, 5, 2019)

PLEASE REGISTER EARLY!

SUMMER PROGRAM INFORMATION

June 24- July 19, 2019

The River Edge Extended School Year Program, sponsored by the River Edge Board of Education, will begin on June 24 and continue through July 19 (closed on Thurs. And Fri. July 4 and 5). Classes will be held daily from 8:30-12:20. Classes will be fifty minutes long and will be based on the following time schedule: 8:30-9:20; 9:30-10:20; 10:30-11:20; 11:30-12:20.

The success of the Enrichment Program depends on the enrollment of students. The cost of tuition per course is \$75.00. Some courses have an additional materials fee, which is noted in the course description. **The complete tuition cost will be collected at the time of registration.** Tuition will be refunded in full up until June 1, 2019. We reserve the right to cancel any course, which does not have the necessary enrollment. A full refund will be made for any canceled classes. **Register your child according to the grade he / she is in this current school year (2018-2019). There will be a non-refundable family registration fee of \$5.00.**

This year's summer program will be held at Cherry Hill School. All drop offs must take place on Bogert Road. No one may park, or drop off in either teachers' parking lots.

Academic Support courses in reading and math will be offered to provide an opportunity for reinforcement and retention of Basic Skills. **ONLY THOSE CHILDREN TAKING PART IN Academic Support OR RESOURCE ROOM PROGRAMS, MAINTAINED BY THE DISTRICT DURING THE CURRENT SCHOOL YEAR, ARE ELIGIBLE FOR THIS TUITION FREE PROGRAM.**

Registration will begin on **Wednesday, May 8, at 8:00 am**, at Cherry Hill School. Because of class size limits for many courses, courses will be filled on a first come, first serve basis. Registration will close on June 1, 2019. Please mail in registration or bring to the **Cherry Hill School main office. No registrations will be processed without alternate class choices indicated on the registration form.** Please drop it into the Summer Program registration box located in the Cherry Hill School main office.

A list of summer class enrollments will be displayed outside the offices at Roosevelt and Cherry Hill School. If you require additional information, please email Chris Armen at armenc@riveredgeschools.org, and someone will get back to you as soon as possible. Thank you for your support and cooperation.

Chris Armen Director

How to Register a Student

1. Download, and completely fill out the attached Registration Form from the River Edge Schools' Website: www.riveredgeschools.org. (One per student)
Be sure to list second choices in case your class is closed or canceled. (Registration forms without second choices selected will not be processed).

2. Download, and completely fill out the attached Emergency Form from the River Edge Schools' Website: www.riveredgeschools.org. (One per student)
(Early Care Emergency Forms only need to be completed if you are registering for the Early Care Program)

3. Mail or deliver the completed forms with a check for the total cost of the classes. All checks should be made out to the River Edge Board of Education. Please include the registration fee of \$5 per family.

If mailing, please send to:

Chris Armen, Director
Extended School Year Summer Program
Cherry Hill School
410 Bogert Road
River Edge, NJ 07661

If delivering, please bring to:

Main Office
Cherry Hill School
410 Bogert Road
River Edge

Drop in the Summer Program Registration box
(Be sure to check the list of current class enrollments before dropping off your registration forms. Many classes fill and close early)

ACADEMIC SUPPORT COURSES

Reading and Math are offered to provide an opportunity for reinforcement and retention of Basic Skills. **Only those children taking part in the ACADEMIC SUPPORT / Resource Room programs, maintained by the district during the current school year, are eligible for the tuition free program.** Eligible students will be notified prior to registration. **It is your responsibility to register your child for his/her Academic Support class.**

We invite you to register your child as early as possible. Registration opens on Wednesday, May 8 at 8:00 am. Because of class size limits for many courses, classes will be filled on a first come, first serve basis. This includes ACADEMIC SUPPORT. Registration will close on June 1, 2019. Please mail in registration or bring to the Cherry Hill School main office. Please drop it in the Summer Program registration box.

The offices of Roosevelt and Cherry Hill Schools will display a list of summer class enrollments. If you require additional information, please email Chris Armen at armenc@riveredgeschools.org, and someone will get back to you as soon as possible.

Your cooperation is essential in the success of this program for our students.

Chris Armen, Director

Early Care

The River Edge Schools' Summer Enrichment Program will be offering an Early Care Morning Program for **Students Enrolled in the Summer Enrichment Program**. The Early Care Morning Program take place in the New Bridge Center Project Room and will run from 7:30 A.M. until 8:30 A.M. when the students will join the other students in their first period class. The children in the Early Care Morning Program will be under the supervision of Andrea Meher, a senior staff member of the Before / After School Program, that runs during the school year.

The Early Care Morning Program will be capped at 25 students and students will be accepted on a first come, first served basis.

E.C. *Andrea Meher*

Early Care

Project Room

We are here at 7:30 A.M. to provide your child with a place to relax, eat breakfast, if they choose (provided by you), play, read, chat and ease into the day with no pressure on them and no worries for you.

Grades: K-6

Cost: \$75

7:30 – 8:30

SUMMER PROGRAM ENRICHMENT COURSES

Period I (8:30-9:20)

1. *ChristyAnn. Armen*

Gallery of Softies Handmade Creatures

Your child will become a soft toy designer after taking this class. This class introduces cutting from a pattern, assembling and sewing, using wool, felt, fabric scraps, buttons, and trim. Your child will learn the basics of soft toy design, pattern making, and construction, using a variety of easy hand stitches. At the end of this class a gallery will be presented, and your child will take home some softie friends.

Grades: 3-6

Cost: \$90

8:30-9:20

2. *John Corcoran*

Model Rocketry I

Participants will build and launch a model rocket. They will experience, "Hands on" science instruction involving principles of motion and force. This workshop is designed for students with little, or no model building experience. Since we will be working to complete and fly our project, attendance is important.

Grades: 2-5

Cost: \$90

8:30-9:20

3. *Nicole Colon*

How to Draw

Children love to draw pictures, but for some, it can be a difficult experience. This class will teach students step by step drawing, using basic shapes to create pictures at all levels. Students will keep drawing pads and experiment with different types of tools. Students will also have the opportunity to add writing to their illustrations.

Grades: K-2

Cost: \$90

8:30-9:20

4. *Kara Cuadra*

Instrumental Music

Beginning Players (those who have had NO prior instruction):

Students will be offered *beginning* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums.

Students in grades 3-6 will receive one group lesson (9 students or less per group) each day.

Daily lessons will enable the students to advance quickly working in a small group setting.

Instruments and method books may be obtained through Ms. Cuadra's website.

Grades: 3-6

Cost: \$75

8:30-9:20

5. *Kelly Dent*

Piano Explorers

Would you like to learn to play the piano? Let's have fun exploring the piano keyboard together. We'll play fun keyboard games, learn to play a bunch of new songs, and even write our own music! You will be playing the piano every day, so you don't need to have a piano keyboard at home. At the end of Summer enrichment, you will take home a folder filled with piano music that you can play. This is a great introduction to piano lessons for young beginners.

Grades: K-2

Cost: \$75

8:30-9:20

6. *Michelle Parisi*

Super Slime and other Crafts

Love creating? Have fun with your friends as we create slime, elephant toothpaste, gak, and goop. You'll be using different materials to create your own unique projects, including bouncy balls, mason jars, and other sticky fun.

Grades: 4-6

Cost: \$90

8:30-9:20

7. *Jon Morrisette*

Wii Fit / Wii Sports

What?! Exercise and Video games together? That's right...you read it correctly. Join Mr. Morgan for Wii Sports. Students will take part in an interactive new way of exercise that is engaging for all video game lovers. Whether you like sports, video games, or both, this is the class for you. Wii fit will focus on strength, balance, and stretching. Wii Sports will entertain children with the popular sports; boxing, baseball, bowling, and tennis.

Grades: 1-6

Cost: \$75

8:30-9:20

8. *Kayla Moran*

Little Lego Mania

This class is designed for the little Lego maker in mind! Children in grades K-1 will use their creativity to build vehicles, structures, and cities. Come have fun, learn to share, build cool structures and let your creativity shine!

Grades: K-1

Cost: \$75

8:30-9:20

9. *Michelle Attardi*

Your Way with Clay I

Clay is fun for all ages. Come be creative with one of earth's most flexible materials. Make pots, sculptures, masks, and reliefs of your imagination using the easy hand-building techniques that have been used for centuries. Students use real clay and glazes and pieces are fired. Students will have a mini art show and critique after each project is completed.

Grades: 1-3

Cost: \$90

8:30-9:20

10. *Alexandra Mcneil*

Just Bead It

"Bead"-dazzled by the creations you will make! Necklaces, bracelets, pins, earrings and more! Join us this summer and amaze your friends and family members with the beautiful things you will make!

Grades: 4-6

Cost: \$90

8:30-9:20

11. *Pat Olski*

Yarn and Yarns

This fun introduction to yarn craft is the perfect fit for kindergarten through second graders! We will read engaging stories that explore a variety of yarn traditions. Then, everyone will learn how to manipulate yarn in many different ways to create enjoyable and colorful projects. We will explore easily mastered techniques from pom-poms to finger knitting.

Grades: K-2

Cost: \$90

8:30-9:20

12. *Greg Kupchak*

Classic Outdoor Games

Do you love playing outside and getting exercise during the summer? Do you enjoy games and competition? Well, if you said yes to any of these questions, then this class is for you. In this class we will engage in classic summer games like kick the can, capture the flag, stuck in the mud, spud, and blob tag. Even better, you may get a little wet with some water balloon games and team relays.

Grades: 1-3

Cost: \$75

8:30-9:20

13. *Ryan Schmid*

Basketball Fundamentals and Skills

Gym

Join the fun and learn the fundamental skills needed to play the game of basketball. Boys and girls will learn a variety of activities and drills to improve ball handling, shooting, passing, and defense, and participate in game play.

Grades: 4-6

Cost: \$75

8:30-9:20

14. *Diana Richards* **Lego STEAM Activities**

Do you like to play with Legos? Do you like to build and solve problems? Then you'll have a blast with Lego STEAM Activities. In this class we will use Legos and combine them with different activities in Science, Technology, Engineering, Art, and Math. There will be races, contests, and prizes as well! At the end of the sessions, students will take home projects, prizes, and Legos that were used in class.

Grades: 1-6

Cost: \$90

8:30-9:20

15. *Maria Garcia* **Let's Be Creative**

Do you love to create? Tie-Dyed shirts! Customized backpacks, visors, water bottles, sun glasses, and more! Have fun learning to personalize your everyday items. Use colorful dyes and paints, vinyl layers, and your name itself in conjunction with your designing skills to make items truly **yours!** Pass the summer days in a meaningful way. Learn new skills working in multiple mediums. All of your "Wow" items will be in a final showcase, so invite your parents to see it all!

Grades: 3-6

Cost: \$90

8:30-9:20

16. *Alice Buttery* **Rise and Shine Yoga**

What better way than to start your day than with yoga? Explore animated poses and basic exercises through creative expression, games, music, art, and storytelling. Decorate your own yoga mat, bring in your favorite stuffed animal or doll for Downward Doll Yoga, and so much more. Don't miss out on this perfect way to start your day. Namaste!

Grades: K-2

Cost: \$90

8:30-9:20

17. *Kara Fenarjian* **Computer Carnival**

Games and More Hurry! Hurry! Hurry! Step right up to the Computer Carnival where a world of keyboard amusement awaits each and every one of you. The students will enhance their problem solving and computer skills as they explore and evaluate sites on the River Edge Web Site and the internet that are good for children. They will play games as they increase academic and thinking skills. Students will also have an opportunity to design their own Web Page or create an iMovie if they desire. (No personal information will be given out on the internet.)

Grades: K-6

Cost: \$75

8:30-9:20

18. *Gabrielle Dalmar* **Create & Craft**

Let's get creative and craft together! Unleash your imagination with hands-on activities using Perler Beads, Orbeez, paint, sand art, picture frames, and more! Your family and friends can not wait to see what you make in our Create & Craft class. Kindergarten through sixth grade students are welcome!

Grades: K-6

Cost \$90

8:30-9:20

19. *Lauren Proda* **You Can Do the Rubix Cube**

Have you ever picked up a Rubik's Cube wondering how to solve it? In this class, you will learn step by step how to solve a Rubik's Cube. Once you're a PRO, be ready to create mosaics, challenge each other in speed competitions, and apply your knowledge to create your own

algorithms and designs. Solving a Rubik's Cube is a great activity to help with perseverance, determination, following directions, and logical thinking. Rubik's Cubes will be provided during class to practice with. See you there!

Grades: 3-6

Cost \$75

8:30-9:20

20. *Mark Strasser*

Floor Hockey / Street Hockey

Everyone loves floor hockey in gym class. Here is your opportunity to play this summer! Come join this fast paced, exciting sport that can be played by everyone. This class is aimed at developing physical skills and hand/eye coordination. We'll work on the fundamentals of hockey, teamwork, and sportsmanship. Floor hockey is a super place for young players with tons of energy. Hockey sticks will be provided, and plastic pucks will be used. Children will be grouped according to age.

Grades: 1-3

Cost: \$75

8:30-9:20

Period II (9:30-10:20)

21. *ChristyAnn Armen*

Doll Fashionista

It is a class full of creativity and fantasy. Students will make two 18 inch dolls and their wardrobes. They will have fun while they learn basic hand stitching using a needle, thread, and felt. Children will learn various basic stitching, along with learning how to sew a button while making their projects. At the end of this adventure, each student will have improved his/her fine motor skills, gained a sense of independence, and had the opportunity to be creative. A gallery with the creations of the young artists will be displayed at an open house for parents and friends at the end of class.

Grades: 3-6

Cost: \$90

9:30-10:20

22. *John Corcoran*

Model Rocketry II

This is a similar class to Intro to Model Rocketry, but at a higher level of instruction. Participants will build a more challenging rocket. Please do not register for this workshop unless your child has had experience building several model rockets or other model kits. Since we will be working to complete and fly our project, attendance is important.

Grades: 4-6

Cost: \$90

9:30-10:20

23. *Nicole Colon*

Up for a Challenge

Are you up for a challenge? Grab your friends and problem solve your way through tasks which will keep you thinking on your toes. Enduring collaborative and individual challenges with brain-busting work designed through fun, will be the goal. From marshmallows to legos, we will use materials to build the strongest structures or the fastest water slides. Bring your creativity and problem solving skills to conquer the challenge!

Grades: 1-3

Cost: \$90

9:30-10:20

24. *Jon Morrisette*

Wii Fit / Wii Sports

What?! Exercise and Video games together? That's right...you read it correctly. Join Mr. Morgan for Wii Sports. Students will take part in an interactive new way of exercise that is

engaging for all video game lovers. Whether you like sports, video games, or both, this is the class for you. Wii fit will focus on strength, balance, and stretching. Wii Sports will entertain children with the popular sports; boxing, baseball, bowling, and tennis.

Grades: 1-6

Cost: \$75

9:30-10:20

25. *Alice Buttery*

Yoga for the Mind and Body

Breathe, relax, and be more flexible in this fun Yoga class. What better way to do Yoga than through games and adventures? Breathing and visualization techniques will help you focus and relax. Yoga poses will be incorporated into games and adventures to develop balance and flexibility. Get ready to shake your Downward Dog tail and come play Yoga!

Grades: 1-3

Cost: \$90

9:30-10:20

26. *Kara Cuadra*

Instrumental Music

Band Room

Advanced Players (those who have had one year or more of instruction).

Students will be offered *advanced* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums.

Students in grades 4-6 will receive one group lesson (9 students or less per group) each day.

Daily lessons will enable the students to advance quickly working in a small group setting.

Grades: 4-6

Cost: \$75

9:30-10:20

27. *Kelly Dent*

Jr. Drama Club

Let's put on a play! Come join Mrs. Dent, the Cherry Hill Music teacher, if you like to act in plays, design costumes, build sets, and play fun theater games. In this class you will stay active and have fun exploring everything that goes into putting on a play. Everyone who is interested in acting will get to play a part. We will also work together to design sets and props. Develop your confidence, public speaking skills, storytelling, and creativity this summer in Junior Drama Club!

Grades: K-2

Cost: \$90

9:30-10:20

28. *Alexandra Mcneil*

Just Bead It

"Bead"-dazzled by the creations you will make! Necklaces, bracelets, pins, earrings and more! Join us this summer and amaze your friends and family members with the beautiful things you will make!

Grades: 2-3

Cost: \$90

Ukulele Rocks!

Get ready to have a jammin' good time playing the ukulele this summer! Whether you are a beginner or can already play a few chords, you will have fun adding to your skills on this amazing instrument. You will play many styles of songs as you learn the basics of strumming, fingerpicking, tuning the ukulele, and reading tabs and chord diagrams. You will have the opportunity for solo practice and for forming groups within the class. If you are interested in writing your own songs, including keyboards or other instruments, you will be able to work on

those skills too. You do not need to own a ukulele to take this class. Move over, Grace Vanderwaal, because ukulele rocks this summer in River Edge!

Grades: 4-6

Cost: \$75

10:30-11:20

Entertain Your Brain

If you're looking for a challenge this summer for your mind, take this class and you will surely find - Brain Teasers, logic puzzles, problem solving, and more. This summer, for your brain there is so much in store. Thinking will be the focus of each and every day. Your brain will be exercised and entertained in a very good way! There will be reading, math, history, science and other topics, too- All together they'll make plenty of your brain to do! You'll think, and think, and then think some more, Entertain Your Brain is a class you will surely adore!

Grades: 3-6

Cost: \$75

10:30-11:20

52. *Michelle Baragona*

Toys for Sheltered Pets

Help a shelter pet enjoy a new toy. Each class, we will be creating a toy for a dog or cat to enjoy, using various fabrics, squeakers, bells, and other crafts. We will be sewing and braiding these toys for an animal in need. These toys will be donated to a local shelter.

Grades: 4-6

Cost: \$90

10:30-11:20

53. *Michelle Attardi*

Printmaking and Sculpture I

Come enjoy two of my favorite art forms with me. We will explore the worlds of printmaking and sculpture through several different processes. The mediums will be explored separately as well as combined to create sculptures that you can print, and stamps that can be printed on your sculptures. Create sun prints with natural and found objects. Have fun creating your own stamps and images from found objects, foam, clay, cut vegetables, even your fingers. Then put them on paper, clay, fabric, or t-shirts. The second part of this class will focus on sculpture. We will create fantasy creatures, animals, masks, figures, and abstract constructions out of wire, aluminum foil, plaster-craft, clay, recyclables, found objects, paper, and paper mache.

Grades: 1-3

Cost: \$90

10:30-11:20

54. *Lauren Proda*

Technology 101 (Garage Band, Graphic Designing)

Want to edit photos and text? Maybe a video for a school project? Create a cool beat? Anything is possible in the world of technology. You will learn how to enhance, edit, and layer

photos to make stunning images, use iMovie to create powerful videos, and use Garageband to construct music and sounds all while creating meaningful projects of your choice. This skill will come in handy for school projects as well as personal ones.

Grades: 3-6

Cost: \$75

10:30-11:20

55. *Pat Olski*

Hooked on Yarn

Did you ever want to learn how to crochet? Learn the basics of this great technique while creating fun accessories and gifts. Crocheting takes nothing more than a hook, yarn, and a desire to create. You will be amazed at how quickly you can learn this great craft, and what awesome things you can design and make.

Grades: 3-6

Cost: \$90

10:30-11:20

56. *Greg Kupchak*

Pokemon Card Club

Do you want to be the very best? Do you want to catch them all? Well, if you do, join the Pokemon Card Club. You will learn to play the card game and prove you are the strongest Pokemon card collector out there.

Grades: 2-6

Cost: \$75

10:30-11:20

57. *Diana Richards*

Lego STEAM Activities

Do you like to play with Legos? Do you like to build and solve problems? Then you'll have a blast with Lego STEAM Activities. In this class we will use Legos and combine them with different activities in Science, Technology, Engineering, Art, and Math. There will be races, contests, and prizes as well! At the end of the sessions, students will take home projects, prizes, and Legos that were used in class.

Grades: 1-6

Cost: \$90

10:30-11:20

58. *Ryan Schmid*

Fun Games in P.E.

Have fun playing your favorite indoor games from physical education class during the school year. Have fun, practice teamwork, improve your skills, and demonstrate good sportsmanship.

Grades: K-3

Cost: \$75

10:30-11:20

59. *Kara Fenarjian*

Crafty Art & Tunes

Spend time using your creativity this summer while listening to some great tunes. Work with multiple forms of art media, including paint, watercolors, glitter glue, color pastels, mosaic tiles, and more. Students will create art and enjoy different genres of music, which will allow everyone to show off their unique artistic talents. No experience is needed for this class and weekly projects will be sent home for display!

Grades: K-6

Cost: \$90

10:30-11:20

60. *Maria Garcia*

Healthy Hands Cooking Class

Calling all chefs! Do you enjoy cooking? You are never too young to start cooking! Embark upon a lifelong journey of choosing healthy foods. Explore new taste sensations. You, a "mini assistant" in the kitchen, will peel, spread, measure, and mix all with safety first as an added ingredient. This class is all "hands on," the culmination of which will be preparing a scrumptious meal for parents to sample. So put on your apron (delantal) and join Mrs. Garcia in preparing for your next party using wholesome recipes.

Grades: 2-6

Cost: \$90

10:30-11:20

61. *Gabrielle Dalmar*

Candle Making & Mindfulness

Come practice and learn valuable mindfulness strategies to use at home and school! Did you know that practicing mindfulness could help reduce anxiety, lower stress, help you sleep, and improve self-esteem! Everybody can benefit from learning new ways of incorporating mindfulness into their daily lives. All students will create their own interactive mindfulness journal and relaxation jars to take home! Also, students will create and customize their very own candle in glass jars! Students can choose from several colors and scents! All K-2 graders are welcome. There is also a class for 3rd-6th graders!

Grades: K-2

Cost: \$90

10:30-11:20

62. *Mark Strasser*

Floor Hockey / Street Hockey

Everyone loves floor hockey in gym class. Here is your opportunity to play this summer! Come join this fast paced, exciting sport that can be played by everyone. This class is aimed at developing physical skills and hand/eye coordination. We'll work on the fundamentals of hockey, teamwork, and sportsmanship. Floor hockey is a super place for young players with tons of energy. Hockey sticks will be provided, and plastic pucks will be used. Children will be grouped according to age.

Grades: 1-3

Cost: \$75

10:30-11:20

Period IV (11:30-12:20)

63. *ChristyAnn Armen*

Doll Fashionista

It is a class full of creativity and fantasy. Students will make two 18 inch dolls and their wardrobes. They will have fun while they learn basic hand stitching using a needle, thread, and felt. Children will learn various basic stitching, along with learning how to sew a button while making their projects. At the end of this adventure, each student will have improved his/her fine motor skills, gained a sense of independence, and had the opportunity to be creative. A gallery with the creations of the young artists will be displayed at an open house for parents and friends at the end of class.

Grades: 3-6

Cost: \$90

11:30-12:20

64. *John Corcoran*

Astronomy with StarLab

Participants will study the night sky at different times of the year with the help of our StarLab, a portable planetarium. Students will work in the Lab and classroom to study such topics as: distances in space, star color and size, constellations, and mythology.

Grades: 4-6

Cost: \$75

11:30-12:20

65. *Alice Buttery*

Fun with Science

What happens if... ? This is a question that drives scientists of all ages! The students will perform hands-on experiments to answer new questions everyday. Fun, inquiry-based activities will focus the students' desire to explore their natural worlds while developing their thinking and reasoning skills.

Grades: 1-2

Cost: \$90

1130-12:20

66. *Kara Cuadra*

Instrumental Music

Advanced Players (those who have had one year or more of instruction).

Students will be offered *advanced* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums.

Students in grades 4-6 will receive one group lesson (9 students or less per group) each day. Daily lessons will enable the students to advance quickly working in a small group setting.
