*Unused Emergency Closing Days (see below)

Please Note: Three (3) Emergency Closing Days are built into the school calendar. If we have more than three (3) emergency days before April break – starting Thursday, April 12, 2012 (April 13th is the last day of Passover) and counting backwards, we may bring back students and staff one day for each day over three. If we have one unused emergency closing day, school will be closed on Friday, May 25th. If we have two unused emergency closing days, school will be closed, Tuesday, May 29th. If we have three unused emergency closing days, school will be closed Friday, June 22nd.

No more than 180 student days and 183 staff days will be scheduled. The Board will take action to make calendar revisions at its first meeting in April 2012. The calendar may be extended beyond June 22, 2012, should unforeseen circumstances require it. Therefore, no plan, which cannot be changed, should be made. The Board of Education reserves the right to make adjustments to the calendar when it is deemed necessary. In terms of inclement weather, the February break will not be affected unless all options (April break and end-of-year) are exhausted.

Board of Education Approved: January 19, 2011
