

Cherry Hill Student Council Lupus Clothing and Toy Drive

As in the past, the Cherry Hill Student Council will be helping out others in our community and nation. This year we will be holding a clothing and toy drive that will benefit those who are inflicted by the disease, Lupus. For those of you who may not know what it is, Lupus is a chronic inflammatory disease that can affect various parts of the body, especially the skin, joints, blood and kidneys. The body's natural helpers, antibodies, have a hard time telling the difference between bad invaders and healthy tissue, so they attack the good tissue causing damage.

The Student Council will be collecting items that will be donated to the Lupus Foundation of America. Our donations help the LFA support life-saving research, education and advocacy initiatives to bring an end to Lupus.

How and when you can help:

Items needed:

New and Clean Used Clothing (all types and sizes)

Shoes (all types and sizes)

Toys and Games

When:

December 5th - 16th

Boxes for the collection can be found in the gym hallway

Thank you as always for your support.
