II) **Discipline**

- A) A student's exclusion based upon an identified crisis situation shall not be considered a disciplinary consequence.
- B) This Policy is intended to address mental health related issues only (i.e., to ensure that the student does not represent a danger to him/herself or others), and does not supersede the implementation of appropriate disciplinary action for infractions of school regulations or action required by *N.J.S.A. 18A:40A-12* or *N.J.A.C. 6A:16-4.3* as described in policies and explained in student handbooks and/or Code of Student Conduct.

 - 2) Notify the Superintendent of Schools; and
 - 3) Notify the student's parent or legal guardian.
- D) In response to every report, the Crisis Intervention Team, consisting of the Principal and the, school psychologist, student assistance coordinator and/or social worker, shall conduct a student interview to assess whether or not the student presents as a potential danger to him/herself or others, and to determine whether or not the student requires a mental health assessment prior to reinstatement.
- E) Provisions shall be made for the appropriate care and supervision of the student pending either: (1) a determination by the Crisis Intervention Team that the student's exclusion is not required; or (2) the student's release to his or her parent/guardian.

IV) Assessment and Reinstatement

- A) If the Crisis Intervention Team determines that the student presents as a potential danger to him/herself or others and requires a mental health assessment prior to reinstatement, the Principal shall notify the student's parent/guardian of this determination.
- B) The assessment must be completed by a licensed or certified mental health professional (e.g., psychologist, psychiatrist, social worker or psychiatric nurse) **outside of the school system**. The Principal or **designee** shall provide the student's parents/guardians with appropriate referral information for qualified mental health providers.
- 1) Assessments completed by evaluators selected by the school district shall be at the expense of the school district.
 - 2) Assessments completed by evaluators selected by the student's parent/guardian shall be at the expense of the parent.
- C) For purposes of the assessment, it is necessary for the evaluator to have access to all relevant information regarding the student and the incident giving rise to the exclusion. The student's parent/guardian shall be asked to provide consent for a member of the Crisis Intervention Team to contact the professional completing the evaluation to provide necessary background information.
- 1) If a parent/guardian cannot be reached and the student is screened and/or assessed by the appropriate school personnel as being in imminent danger of harming him/herself or others, the school may initiate an immediate assessment.

 - 5) A specific statement that the student does not present as a danger to him/herself **or others at this time**.
- F) If the parents or guardians assume the cost of the assessment (through a provider of their own choosing), the resulting assessment report is their property, and **will require their consent** before being released to the school district. Parents are encouraged to share assessment information with the school district. However, the required information (see Section IV.E above) must be included in the clearance letter.

V) Re-Entry to School

Following receipt of the school clearance letter, the District shall schedule a re-entry meeting with the child and his/her parents/guardian and an appropriate school district designee. Discussion may include, but is not limited to:
